

Secure Bicycle Parking Resources

CommuteKern: A Program of Kern Council of Governments

Bicycle Parking Solutions:

What is secure bicycle parking?

- ◆ Designated indoor bike room with locking system
- ◆ Bicycle lockers
- ◆ Bike cage in garage
- ◆ Designated bike space inside an office
- ◆ Outside bike racks can be sculptural or simply functional. Cyclists must remember to bring their own locking mechanism.

How to make secure bicycle parking work:

- ◆ Locate the bike parking in a well-lighted, well-traveled area
- ◆ Visit bikeparking.com for bike parking options, pricing, tips and guidelines
- ◆ Inform employees and tenants of this important amenity
- ◆ Advertised bike parking with prominent signage.

Discover the benefits of secure bicycle parking:

- ◆ Good for employee health and morale
- ◆ Lowers parking costs substantially
- ◆ Reduces your company's impact on the environment.
