

COMMUTEKERN

Because You're Going Places!

With the CommuteKern program you'll really be going places and helping to improve our air quality.

Worried about gas prices? Choose one of these money-saving commute options or visit CommuteKern.org to find out about available services that reduce traffic and clean the air, including:

- Carpooling
- Vanpooling
- Taking public transportation
- Bicycling
- Teleworking
- Flexible Scheduling
- Locating Park-and-Ride lots
- Walking

The CommuteKern program helps you arrive at your destination more relaxed and with extra pocket change! You can register by phone: **661-868-RIDE (7433)** or by email: commuter@kerncog.org. When you register by phone or e-mail, we'll run a match for you and mail the results to you.

CommuteKern.org
661-868-RIDE

The CommuteKern program matches commuters traveling to work, school, special events or into or out of Kern County with strategically located park-and-ride lots that serve as great places to meet your carpool or vanpool.
